

# Spring Time Scavenger Hunts

Each Thursday in May, we will post a new scavenger hunt on our Facebook page. We invite you to share and join others in this virtual activity!

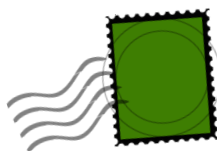

Send us a picture of something you found along with your child's/ children's name/s and mailing address to [admin@oeyc.ca](mailto:admin@oeyc.ca)

We will post your picture on Facebook

(The photo can be just the item or of your child/family with item. Your choice!)

Your child/ren will receive a small package in the mail each week that you participate by sending a photo. Please be patient with the mail! (For residents who live in City of Kawartha Lakes & County of Haliburton)

Plus, each week you send a photo your name will be entered into a draw for a bigger prize at the end of the month (max 4/family/month).

For more information please email
