

EarlyON

Child and Family Centre

City of Kawartha Lakes & County of Haliburton
COVID program health regulations update.
We follow direction from the HKPR District Health
Unit and the Ministry of Education.

**April 2022
UPDATE**

Registration

Program pre-registration still required

registration@oeyc.ca

Masks

You decide what is
best for you. **

Proof of Vaccination

is no longer required to
attend our programs.

Screening for Symptoms

All individuals entering EarlyON Centre
premises must continue to self-screen every
day before attending programs

<https://covid-19.ontario.ca/school-screening/>

Hand washing &

Hand Sanitizing Stations

continue(s) to be in effect.

Snacks are Back!

- eat in a designated area
- do not leave food unattended
- tidy up when you are done your snack.

** Please remember that anyone that has travelled outside of Canada needs to mask for 14 days after entry.

** Our staff will continue to wear masks at our indoor programs; we ask participants to consider this as well (adults and children over 6; children 2-5 are encouraged and those under 2 do not need to wear masks) given that there are children's health experts that indicate that the lifting of masks may be premature
