

Sometimes getting outside can be tricky. The weather might not be cooperating, family members may not be feeling well or you're just not up to it. That's ok!!!

Here is a fun activity that can be done indoors:

Indoor Treasure Hunt

- A matching pair of socks
- A toy with wheels
- A blue crayon
- Something you play with in the bathtub
- A book about animals
- Something squishy

- A ball
- Something hard
- A plastic container
- A hat
- A stuffed animal
- Something yellow
- Something you like to eat

Encourage children to come up with their own list of items to look for.
