12 Vintage Crescent

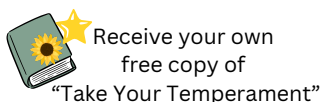

TAKE YOUR TEMPERAMENT

Have you ever wondered why your child acts or does things that don't make sense to you? Shyness? Overly active? Feel like they are pushing your buttons? Overwhelmed easily?

WORKSHOP

Nanci Burns, co-creator of Take Your Temperament, will give you information to support you and your child's uniqueness. Gain ways to build your relationship with your child. (You just may find it supports your adult relationships too!)

Haliburton EarlyON
